Hi Mike and Scott – On the phone with R6 right now, but they received the CDD request from TX yesterday. Wondering if we have time to update the Administrator pager or if you want us to provide a few sentences for a cover note. Please advise. Thanks!

Megan

Thanks,
Megan

TCEQ has submitted a clean data request for the area around Big Brown (Titus County) and Monticello (portions of Freestone and Anderson Counties). The request is based on the permanent shutdown of the only major SO2 sources in the nonattainment areas and available monitor data.

We (Bob) will revise the draft CDD notice to reflect the state's request and share that out again. Ex. 5 Deliberative Process (DP)
